MeridianLink Hires Former Fannie Mae Director to Head Mortgage Industry Relations

COSTA MESA, California – March 28, 2006 – MeridianLink, Inc., a technology provider for the mortgage finance industry, announced today that Doug Glagola has joined the company as Vice President of Mortgage Industry Relations. Mr. Glagola will head efforts to build strategic relationships with mortgage industry partners and assist MeridianLink in expanding the reach of their technology.

Mr. Glagola joins MeridianLink from Fannie Mae, where he was Director of Fannie Mae's Single Family Client Services team. Doug spent eleven years at Fannie Mae, during which he played an influential role in establishing Desktop Underwriter as the mortgage industry's leading automated underwriting platform through distribution to lenders and vendors. Mr. Glagola's team was responsible for all Fannie Mae eBusiness solution integration and implementation engagements.

"We are truly honored and delighted to have Doug join MeridianLink," said Tim Nguyen, Senior Vice President of MeridianLink. "The wealth of knowledge, experience and the key relationships that Doug has cultivated through his work with Fannie Mae are a tremendous boost to our efforts. Hiring Doug sends a signal that MeridianLink is committed to being a leading technology provider to the mortgage industry."

Mr. Glagola is a graduate of the University of Virginia, where he earned a B.S. and a M.S. in Systems Engineering.
